HONORARY SECRETARY'S ADDRESS

The N. L. Dalmia Institute of Management Studies and Research established in 1995, enjoys a stellar reputation in business and management circles. When we started in 1997, we were ranked amongst the top 700 B-Schools across India. Now, we are amongst the top Institutes in Mumbai. Good leadership facilitates individuals, companies and industries to think differently about how to do business for the benefit of the stakeholders and the society. It transforms behaviour, creates new opportunities, inspires decisive action, motivates excellence and represents the best of essential leadership skills.

Quality leadership begins with an idea that is communicated and embraced by others. At our management Institute, we train students to think independently and nurture ideas. This process results in grooming the future leaders. When this exercise is driven by values and ethics, it shapes young students graduating from our business school with leadership qualities that will go a long way in building a civilized, prosperous and progressive society.

I welcome you to our Institute.

Warm Regards,
Shailesh Dalmia

STUDENT COMMITTEES ON CAMPUS

PLACEMENT COMMITTEE

The Student Placement Committee is actively involved in placement activities liaising between the college and the company by contacting/visiting companies for placement presentations and coordinating other placement related activities. The Student Placement Committee is selected by Faculty and the Senior Student Placement Committee after they have showcased their skills in enthusiastically arranging necessary infrastructure to conduct the placement drive, and conducting and holding on and off-campus placements for their seniors. The Student Heads of PlaceCom are Shail Thadeshwar, Nishe Sah & Nidhi Mittal for Finance, Devansh Jajodia & Harita Rawat for Marketing, Meghashree Nayak & Yesha Jhaveri for HR, assisted by student members Anand Dubey, Anirudh Sharma, Nishit Relan, Omkar Joshi, Piyush Nakade, Sakshi Khemka, Shubham Dolas, Sumit Kadam, Vineet Singh Bist, Akshay Karanke, Kirti Sonawane, Shubham Patil, Swapnil More, Abhinav Anchaliya, Ayush Joshi, Neha Mishra, Sapna Johari, Shubham Deshpande, Jhanvi Ajmani, Khushboo Arora and Sarthak Pathak.

ALUMNI COMMITTEE

Known as the ALCOM (Alumni Committee), it works for and in association with the Alumni, who form an integral part of the Institute as members of 'Dalmia Parivar.' ALCOM has over 20 students as its members from the first and the second year, is headed by a senior faculty member of the Institute and very effort is made by the committee to keep the alumni connected to their Alma Mater through various ways including the AlmaShines Alumni portal, mails, WhatsApp and phone calls. The committee also organizes annual alumni meets for the Full Time and Part Time MBA Alumni between November and February every year. Since our alumni are closely involved with the various institutional developmental programmes right from the admissions to the

final placements and are willing to walk an extra mile by participating and contributing to the Institute in every possible way, we try to express our gratitude to them through these Alumni Connect programmes. The Alumni meets are occasions for fellowship and nostalgia where the alumni have a re-union with their peers, seniors, juniors and professors. These meets also provide an opportunity to the current batch of students to network and gain insights about the corporates from our senior alumni. ALCOM aims to further strengthen the bond between Alumni and their Alma Mater and serve as an inspiration for the new generation of students who walk through the portals of this great Institute.

MSR - MY SOCIAL RESPONSIBILITY

A social initiative started by the 2011 batch students of NLDIMSR, it endeavors to provide an opportunity to students of the Institute not only to express their concern for the needy and the underprivileged sections of the society but also sensitize them to the realities of the rural population since India lives in its villages. The programme which was first named as 'Sparssh' (A Healing Touch) was later re-named as 'My Social Responsibility' (MSR) Programme since we believe that social responsibility begins with the individual and the students as future corporate leaders should internalize this value of social responsibility and own it. Though in the initial years the 'Sparssh' Team conducted blood donation camps, participated in Mumbai Marathon to raise environmental awareness, provided educational kits to the needy children and organized Christmas/New Year get-togethers in various orphanages; in 2017 the Institute under its MSR programme adopted Kondgaon, a 100% tribal village in Palghar district for its all-round development.

Every month all the MBA students visit the village to work closely with the people of the village especially the children of Zilla Parishad Schools and the Ashram Shala and engage them for a better tomorrow.

HR CLUB

It's a students' forum of the HR discipline of NLDIMSR. This club strives to provide students with insightful industry experience, through conclave, guest lectures, webinars/seminars, competitions, and industrial visits.
