It covers - Quality of Programmes, Strategic plan, Academic and Administrative policies and development plan, Faculty recruitment, Faculty Development, Research and Consultancy, Students Academic Performance, Industry-Institute Interaction, Placement etc.

The Managing council is responsible for developing a vision for the community and decidingwhat needs to be done to achieve that vision.
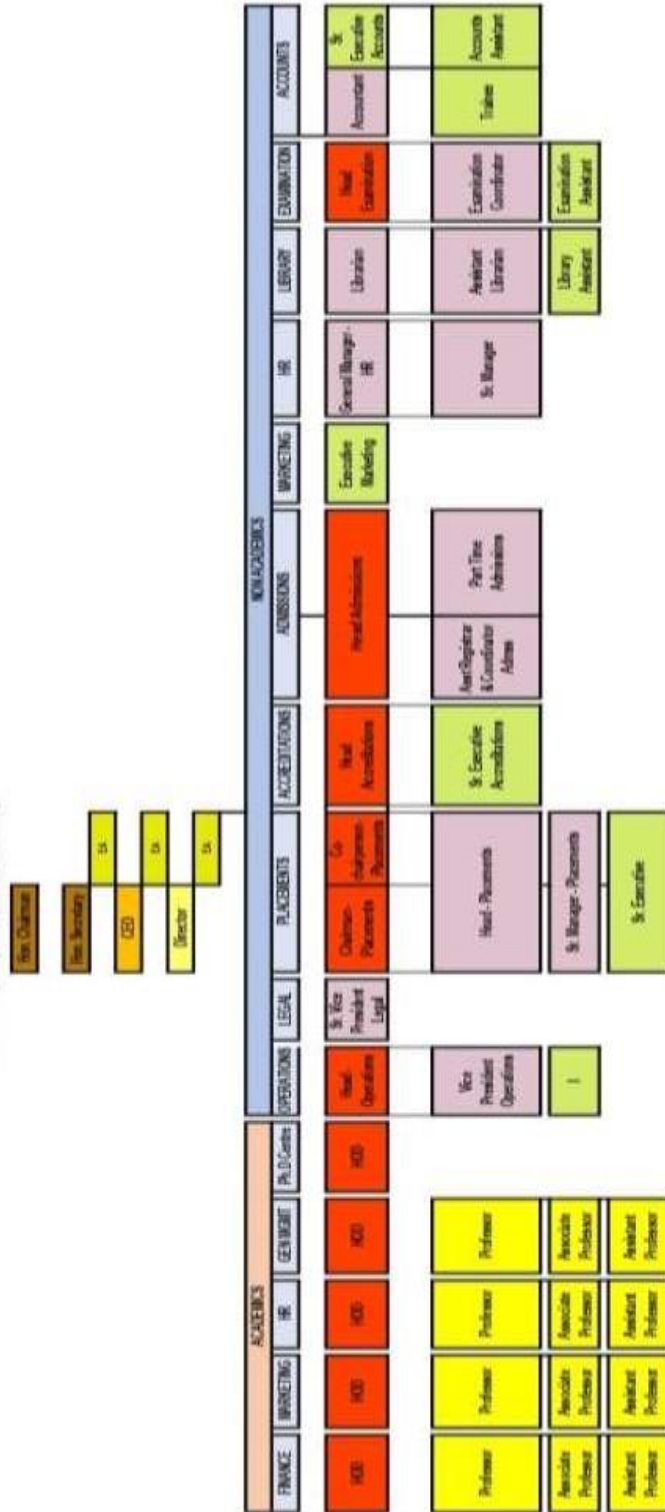

The frequency of meeting: Once a year.

Academic Advisory Council

The Academic Advisory Committee is responsible for providing guidance on regulating and maintaining the standards of curriculum, teaching, research and examinations in the Institute.

The frequency of meeting: Once a year.

Organizational chart and processes

Nature and Extent of involvement of Faculty and students in academic affairs/improvements

Academic and non-academic committees/Forums are functional in different Institutionalareas.

The administrative activities of the institute are decentralized. All the departments are given adequate freedom and autonomy to plan and execute their activities, to ensure maximumvalue addition to the students. Also, the staff members are encouraged to have an active participation in every sphere of students' development. All the administration activities arecoordinated by the faculty heads which results in efficient supervision and expert guidance to the students in all the fields. The Institute has different committees i.e., library committee,placement committee, IQAC, which meet on a periodic basis to suggest areas forimprovements.

Mechanism/ Norms and Procedure for democratic/ good Governance

Different committees are formed through which all the stakeholder can give their feedback and also can approach committee members in case of any grievances / suggestions. Regular meeting are held to address the grievances.

Student Feedback on Institutional Governance/ Faculty performance

The Institute follows a structured feedback system. Faculty feedback is obtained from the students twice in every trimester.

Grievance Redressal mechanism for Faculty, staff and students

In accordance with the direction of the All-India Council for Technical Education (AICTE), the Grievance Redressal Committee (GRC)/ (SGRC) has been constituted as per clause 1 of section 23of the AICTE Act, 1987 (52 of 1987) AICTE to deal with grievances of students/ faculty/ stakeholders to provide a mechanism for redressal of grievances to probe into students' grievances.

It redresses the grievances at individual and organization's level and grievances of common interest. This committee strives for a conducive and unprejudiced environment in the Institute. The complaints of students are redressed in timely manner. All complaints are collected, analyzed, scrutinized and handled by the Institute Grievance Redressal Committee.

The Institute's Grievance Redressal Committee follows the principles of natural justice whileconsidering the grievances

Establishment of Online Grievance Redressal Mechanism

Online Grievance Redressal Mechanism is available. For registering online grievance link is provided at our website.

Student / Staff, Faculty aggrieved can send their grievance through online form which available on our website, through suggestion boxes, which are placed at different locations in the Institute or through Personal Contact to the GRC/SGRC.

All complaints are collected, analyzed, scrutinized and handled by the Institute GrievanceRedressal Committee on a regular basis.

After scrutinize the complaints, the complaints are addressed by Institute Grievance Redressal Committee and other complaints are send to respective committees as per its nature to 'Anti Ragging Committee' (physical and psychological harm) and 'Committee to Prevent Sexual Harassment of Women' (discrimination, harassment, retaliation or sexual assault at all levels) etc. The committee shall resolve the grievance within period of fifteen days of receiving the complaint

The committee shall provide a copy of the order to the aggrieved person(s).

After receiving the complaint, the concerned parties are called and give equal opportunities toput their point of views. This process makes it more transparent and unbiased.

If required, the grievance committee will forward grievances to management on the basis of severity of the issue.

Depending on the seriousness of the problem, the issues are settled by the Committee or by the Director in consultation with other members of the management, parents and faculty members. The collective efforts of the management, department heads, faculty members, various staff members and the Grievance Redressal Committee resolve the complaints promptly and efficiently. The effective complaint management mechanism improves better stakeholder relationship and contentment.

Due to existence of Grievance Committee, the students, faculty members and non-teaching staff get a functional platform to share their issues and grievances. The judicious resolution and vigorous engagement of Grievance Committee has resulted in creation of faith and beliefin the system. This has resulted in the development of peaceful, friendly and conducive environment in the Institution.

Grievance Redressal Committee and Students' Grievance Redressal Committee:

GRC has been constituted to deal with the grievances of students/faculty/ stakeholders to provide a mechanism for redressal of grievances.

Grievance Redressal Committee (GRC)

Sr. No.	Name of the Member	Designation in Committee
01	Prof. (Dr.) M.A. Khan	Director, Chairperson
02	Dr. Seema Saini	CEO and Faculty Member

Establishment of Anti Ragging Committee

In pursuance to the Judgement of the Hon'ble Supreme Court of India dated 08/05/2009 in Civil Appeal No. 88/7/2009, the UGC had notified "Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009" forwarded by University of Mumbai vide reference no. D.O.No.2-15/2009 (ARC) pt. III dated 28/05/2018. The Management has constituted the Anti Ragging Committee in the Institute consisting of the following members.

Anti-ragging committee

Sr. No.	Name of the Member	Designation in Committee
01	Prof. (Dr.) M.A. Khan	Director, Chairperson
02	Ms. Ritu Tuli	Faculty Member, Convener
03	Dr. Joyeeta Chatterjee	Faculty Member
04	Dr. Mangesh Kasbekar	Faculty, Squad Member
05	Mr. Chintaman Kadam	Non-Teaching Staff, Member
06	Ms. Shraddha More	NGO, Member
07	Prof. Jai Kotecha	Faculty Member
08	Siddhesh Dharmadhikari	Student Member (PGDM Finance, Batch 2022-2024)
09	Nidhi Vijaywargia	Student Member (PGDM, Batch 2022-2024)
10	Mrs. Asawari Dharmadhikari	Parent Member

Procedure:

Students are advised that ragging in any form is strictly prohibited. As per Maharashtra Act No. XXXIII of 1999, ragging is an offence and any person indulging in or found guilty of ragging shall be liable to be prosecuted and be dismissed from the Institution. The following are the relevant provisions of the act:

Ragging in any form within or outside of any educational Institution is prohibited. Whoever directly or indirectly commits, participates or abets ragging within or outside any educational Institution shall on conviction be punished with imprisonment for a term whichmay extend to two years and shall be liable to a fine which may extend to ten thousand rupees.

a) Any student convicted of an offence under section 4 of the said Act shall be dismissed fromthe educational Institution and such student shall not be admitted in any other educational Institution for a period of five years from the   date of order of such dismissal.

b) Whenever any student or as the case may be, the parent or guardian or a teacher of an educational Institution complains, in writing of ragging to the head of the educationalInstitution, the head of the educational Institution shall, without prejudice to the foregoing provisions, within seven days of the receipt of the complaint, enquire into the matter mentionedin the complaint and if, prima facie, it is found true, suspend the student who is accused of theoffence, and shall, immediately forward the complaint to the police station having jurisdictionover the area in which the educational Institution is situated, for further action. Where, on enquiry by the head of the educational Institution, it is found that there is no substance prima facie, in the complaint received, he/she shall intimate the fact, in writing, to the complaint. The decision of the head of the educational Institution shall be final.

c) If the Head of the educational Institution fails or neglects to act in the manner specified in section (b) above when a complaint of ragging is made, such person shall be deemed to have abetted the offence and shall on conviction, be punished as provided for in point (2) above.

Establishment of Internal Committee (IC)

- The objectives of anti-sexual harassment Committee:
- To develop a policy against sexual harassment at the Institute.
- To evolve a permanent mechanism for the prevention and redressal of sexual harassment casesand other acts of gender-based violence at the Institute.
- To ensure the implementation of the policy in letter and spirit through proper reporting of thecomplaints and their follow-up procedures.
- To uphold the commitment of the Institute to provide an environment free of gender-basedFrequency of the meeting: Bi Annual / as and when required.

Profile of Vice Chancellor/ Director/ Principal/Faculty Prof.

(Dr.) M.A. Khan
Director

Prof. Dr. M. A. Khan is an educational professional with an impeccable academic record and enthralling experience spanning over 34 years in teaching and administration. He is a very popular techno-savvy academician. Dr. M. A. Khan is a people's person whose contribution to the field of education has been duly recognized and widely appreciated. He serves as a recognized guide to many PhD students of University of Mumbai apart from supervising the research process of many other research students and associates. He is also an expert guide & consultant to many Government and Statutory Institutions like AICTE, UPSC, MPSC, UGC,CII, Government of Maharashtra's Directorate of Technical Education and other such reputedbodies. In addition to this, he is a part of the expert panel of many committees, Academic Councils, Management Councils, Board of Directors and all his recommendations have unequivocally found favors with the policy makers and implementers. Apart from being an extremely indulgent family person, Dr. Khan is adept at many languages, is an avid reader and a keen research enthusiast who keeps writing many articles, research papers and dissertationson a continuous basis despite keeping extremely busy schedules.

LED WallCybernetix / Smart / Interactive Boards

Wifi Access Points

Mobile (portable phones), Laser Pointers and other handheld

devices External HDDs, Network Drives (for media file

storage), USB Drives, etcSpeakers, Amplifiers, Microphones (in

classrooms, seminar hall, MDC) Tabs for Automation

(electrical and other equipment control)

Scheduler (outside classrooms for Lecture detail display)

All classrooms are fitted with computing hardware with projector, internet, biometric machines for attendance, audio & video equipment for better educational experience. The scheduler outside the classroom displays the lecture details. And to ensure the smoothfunctioning of IT resources, a dedicated in-house team of qualified hardware engineers has been appointed.

Other than the team (teaching and non-teaching) at the Institute, even the Students (as a majorstakeholder) are provided with Laptops to assist them in their PGDM Programme objectives. The students not only have their portable devices (laptop and phone) but they are given access

to the Institute's wifi network to help research on the internet. However, this access is subjected to many obviously restricted practices.

Additionally, the Students have access to the Computer Laboratory that has 65 (sixty-five) computer machines installed with productivity software, analytical software (such as SPSS, R, Python, etc.) and gaming (educational) / simulation software (dynamic scenario experiences).

A dedicated Bloomberg Laboratory with 24 terminals for students to research on

anycompany. Historical data on company's available from as old as 100+ years. Each student hasaccess to this rich database for their study and research.

A digital laboratory of 15 (fifteen) computers which gives students access to online publications for their research. Please refer to Library infrastructure for more details on the eBraries available to students.

The B-school keeps a close eye on the latest technology advancement and upgrades the systems as per the changing times. This ensures a wide use of instructional kits by students and faculty. Use of latest technology facilitates the students as well as the staff to keep pace with the modern world of technology and are not left far behind.

List of Experimental Setup in each Laboratory/Workshop
Computing Facilities
Internet Bandwidth

The Institute has subscribed to multiple Internet Leased Lines (ILL) of 100 mbps each. TheseLeased Lines are from Jio and Airtel (the leaders amongst the service providers in the field). Therefore, 200 mbps is dedicated to the Institute. The classrooms are equipped to host hybrid classes (some students attend physical class and others, remotely).

Every student of the Institute is provided with a laptop. The laptop with operating system is provided along with access to the Online Microsoft Productivity Suite (O365). This contains the popular Microsoft Office amongst other applications.

Apart from the individual laptop that the student possesses, additionally, the computer lab, theBloomberg lab and the digital lab have computers and other applications (analytical and gaming), that they can use for their research and development.

With this, the Student-Computer Ratio stands at 1:1.

The Internet access to all (students, faculty, staff and guests) is through a monitored firewall. The firewall allows better bandwidth control. The internet access policies are implemented through the firewall. The general policies include banning objectionable websites and restricted access to a few websites.

Updates and other downloads are carried out and implemented after class hours so as to not disturb the feed.

Number and configuration of System

NLDIMSR is known for its state-of-the-art IT infrastructure that is evident from the belowfacts:

Wi-Fi enabled Campus (through CISCO Meraki Access Points)

All students are provided with laptops and 104 computers with latest configuration provided tofaculty and staff.

64 (for students) + 1 (for faculty) LAN connected Computer Lab with updated OperatingSystem and other analytical software applications (SPSS, R, Python, etc.)

15 LAN connected Digital Computer Lab with latest Operating System

24-terminal Bloomberg Laboratory for students to access information on Corporate Houses All students and faculty are provided with the online version of Microsoft Teams includingthe Microsoft Office (O365) productivity suite for better learning.

Other gaming software like Markstrat and an English Language improvement software (WordsWorth) are also installed in computer labs.

Average replacement age of laptops/PCs is less than 3.5 yearsAll machines are LAN Configured to Domain Server Agreement with Microsoft for licensed software

Agreement with Google for G-Suite for Education (currently being used only by back office)Internet facility provided free to Faculty, Staff and Students. 2x100 mbps (taking care of redundancy) Internet Leased Lines (ILL) through well-known Service Providers (Jio and Airtel). Internet can be accessed through a firewall. The Firewall is implemented using standard and customized policies for internet access. The most obvious websites and malware generating content is blocked at the firewall itself. The Firewall allows better bandwidth control.

Regular back up taken by the IT Dept. to ensure safety and redundancy of dataDedicated in-house IT Support Team to ensure smooth functioning

LCD and LED TV's installed in the whole campus, on each floor, reception and offices for dissemination of Information

Total number of systems connected by LAN

All machines are LAN Configured to Domain Server

64 (for students) + 1 (for faculty) LAN connected Computer Lab with updated OperatingSystem and other analytical software applications (SPSS, R, Python, etc.)

15 LAN connected Digital Computer Lab with latest Operating System

Total number of systems connected by WAN Major software packages available

In the academic year 2000-2001 NLDIMSR Library purchased first Library software "Libsuite" Windows 6.0 version by Soft Aid Computers (P) Ltd., Pune. That was the first step towards the Library automation. Library staff done the data entry of all the Information Resources in the software. Generated barcode labels to stick in the books.

In the academic year 2014 - 2015 NLDIMSR Library switch over to globally standard Librarysoftware Koha version 17.11 ILMS as there was no service from the Libsuite, Soft- Aid co. closed down. NLDIMSR library also subscribed DSpace along with Koha Software. Transferred all the data from Libsuite to Koha. Done fully automated library.

In the academic year 2018 - 19 NLDIMSR Library purchased RFID Middleware software withstaff station Reader. Done RFID tagging on all the library books. Purchased hand held readerin 2020-21 for the speedy inventory work.

Other gaming software like Markstrat and an English Language improvement software (WordsWorth) are also installed in computer labs.

Microsott Surface 8 Pro provided to faculty in academic year 2022-23

The Students have access to the Computer Laboratory that has 65 (sixty-five) computer machines installed with productivity software, analytical software (such as SPSS, R, Python, etc.) and gaming (educational) / simulation software (dynamic scenario experiences).

A dedicated Bloomberg Laboratory with 24 (twelve) terminals for students to research on anycompany. Historical data on company's available from as old as 100+ years. Each student hasaccess to this rich database for their study and research.

Special purpose facilities available (Conduct of online Meetings/Webinars/Workshops, etc.) Facilities for conduct of classes/courses in online mode (Theory & Practical)

Innovation Cell

With "innovation" as the buzz word for business growth, many traditional businesses are leaning into the concept of an innovation. NLDIMSR Innovation lab/Incubation centre is entirely dedicated to the pursuit of new ideas, products, and services. Creative processes
like brainstorming and design thinking are encouraged to drive

ideation and thedevelopment of new innovations.

Social Media Cell - Available

Compliance of the National Academic Depository (NAD), applicable to PGCM/ PGDMInstitutions and University Departments – Yes

List of facilities available

Bloomberg Lab

Bloomberg Lab

N. L. Dalmia Institute of Management Studies and Research is amongst the few B-Schools in the country and the first in Mumbai to have set up a full-fledged Bloomberg Finance Lab with 12 Bloomberg Terminals. This Bloomberg
Professional Service at the campus helps Institute strategically prepare its students for top-end careers in Banking, Investment Management, Institutional Broking, Investment Banking, and Corporate Treasury Management. The Institute provides extremely focused and high end programs like Bloomberg Market Concepts(BMC) & Bloomberg Analyst Certification. BMC consists of 3 sections — Core Concepts (includes four modules – Economic Indicators, Currencies, Fixed Income, Equities), Getting Started on the Terminal and Portfolio Management. The sections are woven together from Bloomberg data, news, analytics and television 24by7

Classrooms

Ergonomically designed classrooms equipped with a Smart Interactive Teaching Board, LED Projector, Wi-Fi and audio systems, create a conducive environment that fosters learning.

Library

The Library as a Learning Resource Centre (LRC) – is well equipped to support teaching, learning, and research activities. Our state-of-the-art library spreads over a 4,780 sq. ft. area on campus across two floors with a seating capacity of 200. The library aims to serve the needs of faculty, research scholars, students, and other stakeholders by providing excellent information services and resources.

The library is divided into 3

main sections Reading Halls

Digital Library, Books Stack Area

Digital Library

The Institute's modern Digital Library is equipped with supreme computing power and remote access capabilities that provides students & faculties access to e-resources off campus, ensuring continuous anduninterrupted learning.

NLDIMSR Library has scanned and prepared digitized documents like Syllabus, Past years Q. papers, Research work of faculties and students etc. Uploaded all scanned documents with PDF books, studentsproject on DSpace as a digitized Institutional repository. Students and faculties can access and downloadthe digitized documents within campus

NLDIMSR's Digital Library is well equipped with following databases and software:

Library Management Software's (LMS): Koha, DSpace Repository, RFID

Industry Database:

Capitaline Industry

Database: CMIE's Prowess

E-Journals Database: EBSCO Business Elite and J-Gate

E-books Database: ProQuest Ebrary (25,000

plus E-books)Anti-Plagiarism Software:

URKUND
Sage Business Cases

Management Development Centre

The Management Development Centre is one of the most marquee locations on campus and isspecially designed for Guest Lectures, Seminars, Conferences and Workshops. The Centre isequipped with the latest technology that creates a highly conducive environment for interactivelearning.

Auditorium

State-of-the-art, air-conditioned Auditorium designed with quality acoustic characteristicswith a seating capacity of 318.

Seminar Hall

Seminar Hall

A 250-seater air-conditioned, Wi-Fi enabled Seminar Hall for conferences and workshops is equipped with LED projector and interactive board for seamless learning. This also facilitatesthe live streaming of events being conducted in the auditorium.

Cafeteria

A well-furnished, air conditioned, clean and hygienic cafeteria serves a wide range of Indian and Chinesevegetarian cuisines, snacks and beverages at affordable prices. The café is a favourite hangout for students during their break hour where they brainstorm and exchange their thoughts.

Incubation Centre

Incubation Centre

The Incubation Centre has been started as the vision of our Hon. Secretary Mr. Shailesh Dalmia to help the students get a first-hand experience in entrepreneurship, promote innovation-driven activities at the Institute and provide a comprehensive and integrated range of support including space, mentoring, training programs, networking and an array of other benefits. At an operational level, it's responsible for nurturing innovative ideas by hand holding the founders through the business proposal stage, identifying the target market, creating a minimum viable product/service, technological guidance, industry exposure, pre- launch activities, consumer feedback and exposure to the investor community.

Social Media Cell - Yes

ICT Lab

The ICT Lab is equipped with 64 (for students) + 1 (for faculty) LAN connected Computer Lab with updated Operating System and other analytical software applications (SPSS, R, Python, etc.)

Games and Sports FacilitiesSports Facility

Sports in the Institution play a vital role in preparing students holistically and face challengesin a competitive spirit. It helps in building a spirit of teamwork and harmony in the students. The students are provided with excellent indoor and outdoor facilities and encouraged to take part in tournaments and have a participative and winning attitude. The Institute promotes sports activities for inculcating healthy sportsman spirit among the students. A well-laid cricket playground is available for cricket activities.

Indoor Sports Facility
The Institute provides facilities for table tennis, badminton and box cricket to its students. It also boasts of a recreation room where indoor games like carom and chess are played. To ensure mental and physical well-being of the students, Yoga sessions are conducted in the Seminar Hall.
Other than the above sporting facilities, there is also an indoor gymnasium that has equipmentfor fitness. These indoor areas double up as breakout zones as well.

Outdoor Sports Facilities
Amongst the outdoor games that can be played in the open area (compound) of the campus are handball and football. Additionally, the campus has an outdoor (open-to-air) gymnasium too that can be used year-round.
The Institute utilizes a sports ground close to the institute premises. It possesses its own off campus cricket academy (Cricket zone)

Extra-Curricular Activities -

Aakarshan
Aakarshan is a cultural event of N. L. Dalmia Institute of Management Studies and Research. The intra-divisional event is planned, organized and managed by the second year students with innovative and out of the box contests and challenges wherein the first year divisions compete amongst themselves. The event is a blend of Management and
Non – Management activities, spread over 2 days.

HOWZATT
Howzatt is NLDIMSR's very own T20 inter-college cricket tournament. An annual tournament aimed to showcase their spirit of sportsmanship, talent, and dedication towards the sport among 10 B-Schools of Mumbai. Howzatt is the only T20 inter B-school tournament in Mumbai.

SPORTS LEAGUE
Sports league is a 3 day event which is conceptualised, planned and executed wholly by the students, backed and supported by the professors. The first and second year students get to showcase their skills along with unity, team-building and great team effort.

International Yoga Day
On the occasion of International Yoga Day that is observed on 21st June 2022, N.L. Dalmia Institute of Management Studies and Research organized a guest session on the "Importance of Yoga" for its students. The theme for International Day of Yoga 2022 was "Yoga for Humanity.
The Online Yoga Session organized by N. L. Dalmia Institute of Management Studies & Research on the occasion of International Yoga Day was successfully conducted on June 21, 2023, via Zoom. The session aimed to promote physical and mental well-being among students, faculty members, and non-teaching staff of NLDIMSR. The event was led by Dr. Minati Sahoo, a faculty member at NLDIMSR, and Ms. Jigna Thakkar, an Art of Living Yoga Teacher.

Jalsa

Team MSR organizes 'Jalsa', a one-day Garba night in the institute campus wherein the students of N. L. Dalmia Institute of Management Studies and Research participate enthusiastically and make the event memorable each year. To encourage even more participation, prizes for best dancer and best traditional outfit for both male and female category are distributed.

EVINCO

"Evinco" which translates to "to conquer" was the intra-college Cricket and Football tournament organized for the first year and second year students of N.L. Dalmia Institute of Management Studies and Research, Mumbai to showcase their skills and passion for Cricket and Football. The sponsors of the tournament were Decathlon and Geeta Eye Clinic and surgical centre. The event took place on February   4   &   5,2023

FAREWELL FUNCTION

The farewell to PGDM 2021-23 Batch students was organized on Saturday 13 May 2023.The students were addressed by Director sir Dr M A Khan. The Event In Charge Prof M R Koshti also spoke and wished good luck to the outgoing students. The first year students performed various entertainment activities. The auditorium programme was followed by a DJ party and dinner.

Soft Skill Development

Facilities Teaching

Learning Process -

Curricula and syllabus for each of the Programmes

Academic Time Table with the name of the Faculty members handling the Course –

N.L. Dalmia Institute of Management Studies and Research offers two year full time Post Graduate Diploma in Management (PGDM) with specialization in Finance, Marketing, Human Resources and Business Analytics. This is approved by All India Council for Technical Education (AICTE), Ministry of HRD Govt. of India. It is covered over 6 trimesters, providing contemporary management education with a balanced and industry ready course curriculum. Highly qualified and experienced faculty members bring forth a right blend of industry and academics, providing a holistic perspective of innovative thinking, a key addition to business value in today's fast-changing and competitive environment. The two-year program encompasses a plethora of activities on team building, leadership, personality development, interpersonal skills and self-defence, which gears up the students to become successful business leaders and entrepreneurs.

I. Program Educational Objectives (PEOs) AND Program Outcomes (POs)

The PGDM Program is guided by the following Objectives and Outcomes

Program Educational Objectives (PEOs)

PEO 1- To impart knowledge, strengthen the analytical ability and develop management skills amongst PGDM students.

PEO 2- To educate the students to perform in key business functional areas including Finance, Marketing and Human Relations with an overview of global practices.

PEO 3 - To prepare the students to work effectively and professionally in teams with mutual respect amidst the diverse workforce in the present days' rapid technological advances.

PEO 4 - To sensitize the students, recognize & address ethical issues and adhere to values with a view to applying them in organisational and social setting.

PEO 5 - To train the students to eventually assume responsible roles in the firms.

Program Outcomes (POs)

PO1- Apply knowledge of management theories and practices to solve business problems

PO2-Foster Analytical and Critical Thinking abilities for data based decision making

PO3-Ability to develop Value based Leadership ability

PO4-Ability to understand, analyse and communicate global, economic, legal and ethical aspects of business

PO5- Ability to lead themselves and others in the achievement of organisational goals, contributing effectively to a team environment

II.   Policies and procedures in teaching learning are defined to ensure achievement of Program Outcomes which is aligned to the Vision and Mission of the Institute. The trimester-wise distribution of credits is mentioned in program curriculum. In order to complete the program, students must complete the following

Sr. No	Particulars	Credits
a.	Core courses	64.5 credits
b.	Specialization Courses	27 credits
c.	Elective Courses	18 credits
d.	Summer Internship Project	3 credits
e.	Final Project	6 credits
f.	Skill Development Courses	4.5 credits
g.	Value Added Courses	5 credits
h.	Campus to Corporate	2 credits

	Total	130 Credits

To be eligible to receive PGDM degree, graduating students must get a minimum CGPA of 4.0 on a 10.0 scale.

III.   Assessing Program Effectiveness

PGDM program effectiveness is assessed at the end of every Batch to ensure attainment of Program Outcomes. The assessment is done through direct and indirect measures.

The following measures are used to examine Program effectiveness:

1. Attainment levels of Course Outcomes –

    (i)   Continuous assessment and Trimester end examinations

    (ii) Target Attainment levels are laid down for each course.

    (iii) Course wise marks obtained by each student based on continuous assessment and Trimester end examination are mapped with targets set to calculate attainment of Course Outcomes.

    (iv) At the end of every Trimester, Course Outcome Survey is done to obtain feedback from students.

2. Internship assessment through presentation and viva.

3. Final Project assessment through presentation and viva.

4. Students feedback on course delivery, contents and attainment of Course Outcomes

5. Corporate feedback on summer internship

6. Final Placement Analysis

7. Student's achievement in co-curricular activities.

8. Program Exit Survey is administered on all graduating students to assess level of achievement of intended Program Objectives and Outcomes.

IV.   Assessment of Program Outcome Attainment

For every batch, Program Attainment from Direct and Indirect methods are assessed and gaps if any, is discussed with HODs for action to be taken

Direct Assessment

Every course in the curriculum has Course Outcomes mapped to Program Outcome. The attainment level of each course helps in the evaluation of attainment of each Program Outcome. The average attainment level of all courses mapped to a Program Outcome is calculated to determine the attainment of Program Outcome through courses. The process to calculate PO attainment is described below:

```
┌─────────────────────────────────┐
│   Mapping each Course Outcome    │
│      with appropriate PO         │
└─────────────────────────────────┘
                 │
                 ▼
┌─────────────────────────────────┐
│   Measuring Course Outcome       │
│   attainment using results of    │
│   continuous assessment and      │
│   Trimester end assessment of    │
│        Course Outcomes           │
└─────────────────────────────────┘
                 │
                 ▼
┌─────────────────────────────────┐
│    Mapping attainment of each    │
│     Course Outcome with PO       │
└─────────────────────────────────┘
                 │
                 ▼
┌─────────────────────────────────┐
│   Determining attainment of POs  │
│         from all courses         │
└─────────────────────────────────┘
```

At the end of every Trimester, Course Outcome attainment is calculated by each faculty for their respective courses based on marks scored by the students in Trimester end exams and continuous assessment. The attainment levels of each Course is mapped with the relevant POs every Trimester. The attainment levels from Summer Internships and Final Project is also calculated. At the end of the Program, the final attainment levels from all courses, summer internship and final project is collated for all Trimesters to determine the average attainment for each PO.

Course Outcome Target Attainment levels

1. **High -** More than 70% of the students get more than or equal to 70% of marks

2. **Medium**- More than 60% of the students get more than or equal to 70% of marks

3. **Low** - More than 50% of the students get more than or equal to 70% of marks

4. **NA** – (Not attained) Less than 50% of the students get more than or equal to 70% of marks

Indirect Assessment methods

1. Course Outcome Survey at the end of each Trimester.

2. Program Exit Survey at the end of program for each Batch

3. Alumni Survey.

Weightage in overall PO Attainment scores

Direct Assessment	80%
Indirect Assessment	20%
Total	100%

V. Curriculum Review and Design

The curriculum and course contents of PGDM program is reviewed for every batch, once in a year, to ensure industry relevance and contributes to achievement of Program Educational Objectives and Program Outcomes. PO Attainment scores are calculated for every Batch which is an important input for review of curriculum. The recommendations from Board of Studies is placed before the Academic Advisory Council for their inputs/comments. After incorporating the inputs from the Academic Advisory Council, the curriculum and course contents are finalised and approved by Director and Dean, Academics. The Dean Academics, implements the revised curriculum and course contents.
