Each of the classroom is equipped with modern tools to deliver lectures and impart experiential learning to the students. All Classrooms are air-conditioned and equipped with Lectern, LCD/Laser Projectors, SMART Boards with Stylus, Computers with Camera, Audio Equipment (Amplifier and Speakers), etc. Outside each classroom, a scheduler displays the details of the ongoing and upcoming lecture. The equipment is sufficient to carry out hybrid classes (partial attendance physically in class and the rest remotely).

DIGITAL LIBRARY RESOURCES

CMIE's Prowess Industry database includes 52000 listed and unlisted companies' data. Prowess delivers financial performance data and dx markets data. It leverages the rich disclosure requirements mandated in India. The database offers a nearly 30-year time-series and cross sectional depth of often over 25,000 companies in a year.

NLDIMSR Library subscribed Capitaline Industry database for more than decade. This product included BSE listed companies data.

Urkund / Ouriginal antiplagiarism software used by faculties to heck their research work and students projects. This antiplagiarism software is approved by the UGC.

e-books and e-journals databases are already explained in write up.

Students and faculties are using all the subscribed databases for Research, assignments and project work.

Dear All,

Warm Greetings from the Finance Forum of N. L. Dalmia Institute of Management Studies and Research!

Summary Report

Finance Forum organized a skill development Course/workshop "SAMBHAV" - Programme on Entrepreneurship by the Ministry of Micro, Small and Medium Enterprise (MSME) which was scheduled on 26th November 2021 between 2.00 pm and 3.15 pm. **Mr. Raghunandan Jagdish**, MD and CEO of Nandan GSE Pvt. Ltd was the resource person for the visit. The session was conducted under the guidance of faculty **Prof. Chitra Gounder**, which saw an attendance of more than 200 students.

The session started with 3 videos giving a brief about the Ministry of MSMEs and all the government-related schemes for empowering all the start-ups in India. A key highlight of those videos was the schemes made to guide and help people who are planning to be an entrepreneur in the future.

Mr. Raghunandan Jagdish shared his journey of being a successful entrepreneur and also shared how this initiative of the Ministry of MSME guided and helped him find the resources easily at the right time. He also shared some wonderful life lessons that he learned from his overall journey. He advised students to read biographies of successful entrepreneurs instead of self-help books.

The first life lesson, which he shared was to "Learn from the victory and failures of others". Real Experience makes you grow more than any other thing.

Online Webinars, Guest Lectures, Events

The second life lesson which he shared was “To define a purpose for your life. Have a purpose in your life, make sure to note it down in your diary, and start working towards it.”

The third life lesson was “To set your value system and always try to follow it in every situation.”

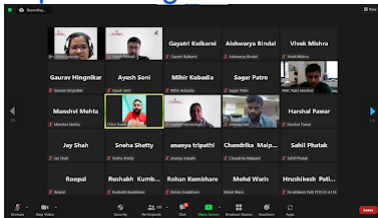

He also advised on managing a personal calendar daily, prioritizing things in your life. Spend time with your customer and think according to your customer. Also, according to him “**Price is what you pay, Value is what you get!**”

In the end, there was a Q&A session that saw active participation from the students. The day ended with a warm vote of thanks to Raghunandan Jagdish Sir!
