NLDIMSR is known for its state-of-the-art infrastructure. All classrooms are smart Class rooms and are well equipped with computing hardware (including camera) with projector, smart boards, internet, biometric machines for attendance, audio & video equipment for better educational experience. With all of this, each classroom is capable of conducting hybrid classes (simultaneous lectures for students attending physical face-to-face lecture and with some remotely). The scheduler outside the classroom displays the lecture details.
