**NLDIMSR Library Usage**

**Before Pandemic**

**Academic Year - 2019-20**

- Method of computing per day usage of library
- The method used for computing per day average usage of library includes:
- footfall in library users coming to the library (Manual Visitors Register / Biometric library attendance report)
  - Koha software books transactions (Faculty and Students)
  - e-resources access / Knimbus(Usage reports).

Academic year 2019-20

- Number of users using library e-resources through e-access  
124 per day
- Number of physical users accessing library
  - 256 per day - Biometric record for footfall
  - 23 per day - Koha software Books Transaction – Circulation Report

(NLDIMSR Library provided textbooks of all subjects to each student in all semester and given Complimentary textbooks to all faculties)

Formula:

$$\frac{\text{Number of teachers and students using library per day}}{\text{Total number of teachers and students}} \times 100$$

$$256 + 23 + 124 = 403 \times 100 / 505$$

$$= 79.80 = 80\%$$

**Response : Average percentage per day usage of library by faculty and students (footfalls + Koha software Circulation Report + login data for online Access) is 80 %**

**Calculation for 256 library Physical users per day :**

Sum of number of users using library on five random days /5

Biometric for footfalls : ( 264+ 242+ 243+ 271+ 261 = 1281 /5 = 256 per day)

**Calculation for 124 online library users logins per day:**

NLDIMSR Library subscribed 5 e-resources total Hits are 44511 /360 (Annual) = 123.64 = 124 per day.

**Calculation for 23 users through Koha Software per day:**

Sum of number of users done books transaction on random 5 days /5

(32+ 21+ 33+ 16+ 13 = 115 /5 = 23 per day)

*(A School of Excellence of N. L. Dalmia Educational Society)*

**NLDIMSR Library Usage**

**After Pandemic**

**Academic Year – July 2022 to 15<sup>th</sup> March  
2023**

**Current Year Usage July 2022 to 15<sup>th</sup> March 2023 (Random 5 Days)**

- Number of Users using library e-resources through e-access  
581 per day
- Number of physical users using library
  - (i) 49.2 per day record in visitors register
  - (ii) 7.2 per day Koha software circulation report

(NLDIMSR Library provided textbooks of all subjects to each student in all trimester and given complimentary textbooks to all faculties)

Formula:

$$\frac{\text{Number of teachers and students Using library per day}}{\text{Total number of teachers and students}} \times 100$$

$49+7+581 = 637 \times 100 = 63,700 / 662$   
96 %

**Response: Average percentage per day usage of library by faculty and students (Footfalls + Koha software circulation report + login data for online access) is 96%**

**Calculation for 49.2 library physical user per day:**

Sum of number of users using library on five random days/5  
Manual register footfalls:  $(17+40+10+117+62 = 246/5 = 49.2 \text{ per day})$

**Calculation for 581 online library users login per day (Knimbus Report):**

NLDIMSR Library subscribed e-resources total Hits/access are  $2906/5 = 581 \text{ per day.}$

**Calculation for 7.2 users through Koha Software per day:**

Sum of number of users done books transaction on random 5 days / 5  
 $(5+6+0+20+5 = 36/5 = 7.2 \text{ per day})$

Number of users as below in Current Academic year July 2022 to 15<sup>th</sup> March 2023

Year	PGDM Students	Faculty (Total No.)	Total
1 <sup>st</sup> year 2019-21 Batch	332	28	
2 <sup>nd</sup> year 2018-20 Batch	300		
<b>Total</b>	<b>632</b>	<b>30</b>	<b>662</b>
