

**FAQ regarding F2F/Online Selection Process for PGDM**

<p>How should I apply for F2F/Online Selection Process?</p>	<p>The applicant has to fill up the online application form for PGDM. Kindly refer to the Instruction page available on the website: <a href="http://www.nldlamia.in">www.nldlamia.in</a> which mentions “How to Apply?”</p> <p>The applicant has the choice to select either F2F or Online GD-PI.</p> <p>They can select the date and time for the F2F/Online GD-PI as per their choice.</p>
<p>Where &amp; How is F2F GD-PI conducted?</p>	<p>F2F is a Face to Face GD-PI process which is conducted in the institute.</p> <p>In GD (General Discussion): An applicant would be given a topic on current affairs or a situation to analyse by the panellists. The applicant will express his/her views for 5 mins.</p> <p>In PI (Personal Interview): Each applicant would be interviewed by an expert panel.</p> <p>An applicant’s assessment is based on his/her specialization selected. The evaluation is made on various parameters like Communication skills, General awareness and Overall Personality.</p>

<p>How is Online GD-PI conducted?</p>	<ol style="list-style-type: none"> <li>1. In the Online GD-PI process, applicants will be evaluated on various criteria through 'live video call' using Zoom as an online platform.</li> <li>2. The applicant need not come to the institute for a face to face interview</li> <li>3. Panellists will be stationed at the institute while the applicants can be in the comfort of their homes.</li> <li>4. The applicant requires a smartphone/laptop/PC with an inbuilt camera and an internet connection from their place of residence.</li> <li>5. They need to download the Zoom online platforms in their phones/mobiles/PCs/Laptops</li> <li>6. The applicant has to ensure that they are alone and, in a noise free environment</li> <li>7. The applicant will be evaluated and marked online</li> </ol>
<p>How will the Online Personal Interview be conducted ?</p>	<p>Online Personal Interview would be a live video call.</p> <ol style="list-style-type: none"> <li>1. Each applicant would be interviewed online by the expert panel using Zoom online platform</li> <li>2. The applicant will be interviewed from their residence using a laptop/comp/smartphone.</li> <li>3. On the day of the online PI, the applicant should be ready 15 mins before their selected time.</li> </ol> <p>In Online Personal Interview (PI) the applicant's assessment is based on his/her specialization selected. The evaluation is made on various parameters like Communication skills, general awareness and Overall Personality.</p>
<p>How will the Online General Discussion be conducted?</p>	<p>Applicant would be given a topic on current affair or a situation to analyse by the panellist on which they will express their views with the help of Zoom as an online platform for 5 mins.</p> <p>This would be a separate live video call on the same day and the same time slot you have selected.</p>
