

## **“Mulyankan 2023-24” at N.L. Dalmia Institute of Management Studies and Research**

**25th November 2023 | 2 pm onwards**

### **EVENT SUMMARY**

#### **MULYANKAN 2023-24: EVOLVING GLOBAL CONDITIONS: IMPLICATION ON ASSET VALUATION**

The Finance Forum of N.L. Dalmia Institute of Management Studies & Research proudly hosted **MULYANKAN 2023-24**, a flagship Annual B- School Paper Presentation Competition that brought together the brightest minds in business management to explore and dissect the implications of evolving global economic conditions on asset valuation.

The hosts, **Master Sunil Jangid** and **Miss Mahek Shah**, took the audience on a journey of introductions, each revealing a luminary who played a pivotal role in shaping the intellectual landscape of the event.

The **lighting of the lamp** by the dignitaries marked the ceremonial inauguration, followed by a heartfelt recitation of Saraswati Vandana by the audience.

**Master Sunil Jangid** eloquently outlined the *central theme* of **MULYANKAN 2023-24** – **"Evolving Global Economic Conditions: Implication on Asset Valuation."** He emphasized the crucial role of macro-economic factors in shaping asset values, providing participants with a unique opportunity to observe and analyze the dynamic global economic landscape.

**Master Sunil Jangid** extended a warm welcome, setting the stage for the introduction of **Dr. Seema Saini, the CEO** unable to be present physically but whose spirit echoed through the three schools of excellence she oversees. Despite her absence, her legacy was felt, and the audience applauded her contribution to the event.

The spotlight then shifted to **the Director, Dr. M.A. Khan**, a visionary leader who translated vision into reality. With a distinguished background as the Registrar of the University of Mumbai and Director of the Sydenham Institute of Management Education Research & Entrepreneurship, Dr. Khan's technical prowess and commitment to academic excellence shone through. Under his leadership, the institute achieved accreditations and certifications, highlighting his forward-thinking approach to education.

**Miss Priyanka Iyer** welcomed him with a sapling, symbolizing growth and wisdom under his guidance.

The tale continued with the introduction of **Dr. Joyeeta Chatterjee**, an academician with 26 years of experience. Her specialization in marketing and contributions to institution building underscored her commitment to academia. **Master Kushal Saraogi** welcomed her with a sapling, symbolizing the growth of knowledge under her tutelage.

Miss Mahek Shah then introduced **Dr. Jyoti Nair**, the Head of PGDM Finance Specialization, a Chartered Accountant with a Ph.D. in Finance. With more than two decades of experience in academics and industry, her expertise in financial accounting and analysis was invaluable. **Master Edison** welcomed her with a sapling, marking the growth and development fostered under her guidance.

As the event unfolded, the luminaries became guiding stars, shaping the narrative of MULYANKAN 2023-24. The echoes of insightful presentations, engaging discussions, and the collective pursuit of knowledge lingered, setting the stage for future endeavors in the grand story of N.L. Dalmia's academic excellence.

With a gracious welcome, **Master Sunil Jangid** introduced the first luminary, **Mr. Archit Shah**. A seasoned investment professional with over 14 years of expertise in Fixed Income markets, Mr. Shah currently serves as the Chief Investment Officer (CIO) at Kotak Mahindra General Insurance Co. Ltd.

His journey, marked by excellence at Essel Mutual Fund and adorned with a Chartered Financial Analyst title from the CFA Institute, USA, demonstrated his commitment to continuous professional development.

The stage resonated with applause as **Dr. M.A Khan** extended a warm welcome to Mr. Archit Shah, presenting him with a sapling as a symbol of growth and wisdom.

Next in the spotlight was **Miss Mahek Shah**, introducing the audience to **Ms. Ankita Shah**, a distinguished figure in the financial services industry. With over 12 years of experience, Ms. Ankita Shah has left an indelible mark at companies like Batlivala & Karani Securities India Pvt. Ltd. and Edelweiss Capital. Currently serving as the Vice President of Institutional Equity Research at Elara Capital, she has become a leading expert in the field.

**Dr. Joyeeta Chatterjee** welcomed **Ms. Ankita Shah** to the stage, presenting her with a sapling, symbolizing the growth of knowledge under her guidance.

The final luminary to grace the stage was **Mr. Rohit Natarajan**, a seasoned expert in the financial industry with over a decade of experience.

Currently, the Vice President of Antique Stock Broking Limited, Mr. Natarajan's expertise lies in analyzing the Indian infrastructure, defense, shipyard, and utility sector.

His proficiency in developing customized models for offshore fixed-income projects and funds showcased his depth of knowledge.

Dr. Jyoti Nair welcomed Mr. Rohit Natarajan with a sapling, signifying the growth of expertise and the nurturing of future financial leaders.

**Dr. Jyoti Nair** then took the stage to introduce the theme of Mulyankan 2023-24, providing a strategic overview that set the stage for the forthcoming paper presentations.

The event also witnessed the launch of **Delta Magazine**, a testament to the intellectual prowess and achievements of the students. **Ms. Devyani**, representing the proficient Delta team, took the stage with grace and authority to unveil the Delta Magazine. This launch stands as a concrete demonstration of N.L. Dalmia's commitment to holistic development and the promotion of intellectual pursuits.

Masters of ceremony then announced all the rules and started with the paper presentations

The first presentation was by **Team Wealth Wizards**, followed by QNA sessions, during which judges **Mr. Archit Shah** , **Mr. Rohit Natarajan** and **Ms. Ankita Shah** and posed the following questions

1. Correlation between GDP and Valuation, what is the the indicator to go by?
2. What are the 3 key factors, output gap, taylor rule.
3. Why housing crisis happened in China

**Team Work Wizards** were second to present wherein they shared their views which was followed up by questions asked by the judge **Mr. Archit Shah** “What are the challenges now Global economy is facing? Relate and tell me how the valuations got impacted?”

The third team **Finnovators** were to present and discuss the “Impact on Asset valuations due to changing Global economy”. **Ms. Ankita Shah** questioned them on “What kind of strategy of asset allocation would you suggest for investors in this current situation”

The fourth team **Vishleshan** presented their take on the theme of Mulyankan and received a few notable questions like "What is the current inflation trajectory based on the current situation" and "what is India's current Profit as a percentage of GDP," among others.

**Team Das Kapital** was the last to speak, and Mr Rohit Questioned them on Reaganomics and Bidenomics. And Ankita’s query was “How should PE move during an inflationary situation?”

All the presentations were followed where judges shared their constructive feedback and reviews. This discussion provided an immense learning opportunity for all the attendees.

**Mansi Golwala, Niharika Tibrewal and Kushal Sarogi** played a quiz with the participants and attendees about Asset valuation as the judges were choosing the winners, and those who correctly responded received presents.

**Divya Deo Pandey and Sumit Walunj from Team Das Kapital, of Indian Institute of Management, Mumbai** were named second runners-up. A certificate and a monetary prize of **Rs. 10,000** were given to them.

The judges, announced the first runner-up. First runner-up honours went to **Kinjal Parekh, Adhip Pednekar and Jignesh Swali of Team Wealth Wizards** from **IBS, Mumbai**. A certificate and a monetary prize of **Rs. 20,000** were given to them.

The three judges announced the winners of competition. The Winner title was won by **Nahush Bangera, Mitali Salian and Deepak Desai** of **Team Finnovators** of the **N.L. Dalmia Institute of Management Studies and Research**. They received a winner's certificate and a monetary prize of **Rs. 30,000**.

After the event, participants were asked to share their experience of preparing for their respective presentations and overall experience of participating in Mulyankan 2023. All the teams were really happy with co-ordination of team Finance Forum, the communication was

very smooth and the way the event was conducted, the participants found them very much structured.

The ceremony was concluded with the National Anthem after **Harsh Gorasia, Head of Finance Forum**, offered a **vote of thanks** and on behalf of Finance Forum, expressed his sincere gratitude to all the judges for helping to make it a success.
