

**My Social Responsibility  
Kondgaon Visit Report  
20/01/2023**

NLDIMSR - My Social Responsibility Committee organised a visit to Kondgaon village on 20<sup>th</sup> of January 2023 with the following agenda:

1. Sanitary Napkin Distribution & Menstrual Hygiene Awareness Camp
2. Survey the village to know the current requirement.
3. Any other additional items/requirements

MSR coordinators distributed 3000 Sanitary Napkins to 210 female students from class 6<sup>th</sup> to 12<sup>th</sup> for 6 months and created awareness regarding menstrual hygiene. The girls were also guided how to dispose the used napkins to safeguard the environment.

252 Stationary items (left over Water bottles, Sweaters, Tiffin boxes, Umbrella, Raincoat, Compass boxes) contributed by NLDHS under the guidance of Annie Mam & Savita Mam were distributed children of Rawatlapada ZP School & Goratpada ZP School.

Team MSR visited 3 Anganwadis to assess their present working conditions and their requirements. The teachers of the anganwadi helped the team to identify the challenges of malnourishment among the kids between 3 to 6 age group. Also Kondgaon Sarpanch, Mrs. Manju Kombh requested to conduct awareness camp parents of anganwadi kids to send them to school regularly.

In order to enquire about the Kondgaon Utsav, the MSR committee members visited Gram Panchayat Office, where the Sarpanch of Kondgaon village, Mrs. Manju Kombh, provided the committee an idea regarding feasibility of the Kondgaon Utsav.

She provided information concerning products which could be sold by the villagers for the kondgaon Utsav and when was it possible for the villagers to come to the Institute for the Kondgaon Utsav. The members of MSR also facilitated the Sarpanch by letting her know about the kind of support that could be provided to the villagers from the Institute's side for the Utsav. The Sarpanch even helped the MSR committee in giving us the details of the remaining 3 Anganwadis.

The team also visited one dilapidated well which needs immediate repairs and maintenance as villagers use the water from the well for daily purpose.

The team also visited ZP School at Goratpada to witness damaged roof being replaced by a well built and strong roof. The Roof is repaired using good quality material and will endure the monsoon making it comfortable for the students to study peacefully. We thank everyone for their generous contribution during Jalsa'2022 – A Fund Raising Garba Event to help us build a new roof for the kids of Kondgaon School.

Team MSR is grateful for all the support and guidance provided by CEO Mam, Director Sir & Faculty Members. We also thank Operations Team, Accounts Department, Marketing Team, Administrative staff, and Support staff for all the help in organising this visit. We thank Dr.

Neeraj Gupta for joining us. The visit was coordinated under the guidance of Faculty-in-charge Dr. Nazia Ansari and planned, executed, & managed by Team MSR.
