SUMMER INTERNSHIP REPORT

Batch 2024 – 2026

ABOUT US

Founded in 1995, N. L. Dalmia Institute of Management Studies and Research (NLDIMSR) was established on the vision of Late Founder Shri. Niranjanlal Dalmia. His dream was not only to impart knowledge but to nurture leaders of tomorrow, built on values of academic excellence and holistic development.

The Institute holds approval from the All India Council for Technical Education (AICTE) and has been accredited with an A+ Grade by the National Assessment and Accreditation Council (NAAC) in its 2nd cycle, along with the South Asian Quality Assurance System (SAQS) for five years, attesting to its academic excellence and infrastructure.

Its Post Graduate Diploma in Management (PGDM) programs and PGDM Finance holds accreditation from the National Board of Accreditation (NBA), ensuring the highest industry standards and is also approved by the Association of Indian Universities (AIU), making it equivalent to an MBA and empowering students to thrive in today's dynamic business environment.

NLDIMSR has also carved its place in the national academic landscape by hosting and becoming the fourth and the only non-IIM partner of the Indian Finance Association, joining IIM Ahmedabad, IIM Bangalore and IIM Calcutta for the India Finance Conference 2023.

Every program is thoughtfully designed to blend theory with practice, equipping students with skills essential for today's competitive world. The faculty go beyond teaching they mentor, inspire and guide the next generation of leaders.

In response to the evolving education landscape, the Institute offers Ph.D., Global MBA, Open and Distance Learning, Online Learning, PGDM for Working Professional and Management Development Programs.

Its infrastructure further reflects this commitment with South Asia's largest standalone Bloomberg Lab with 24 terminals, recognised as India's First Bloomberg Experiential Learning Partner. Through these Bloomberg initiatives, our students have achieved milestones recognised in the World Book of Records, Asia Book of Records and the India Book of Records, a state-of-the-art library, ICT lab, advanced learning-enabled classrooms and a well-equipped auditorium.

The Institute's placement record speaks for itself, with over 300+ corporate partners offering diverse opportunities. Beyond this, its true legacy shines brightest through its 8943 alumni excelling across the globe.

As it celebrates its glorious years of excellence in the educational landscape, NLDIMSR ranks amongst the top B-Schools and continues to set new benchmarks, establishing its place as a centre of excellence.

NURTURING TALENT, ENABLING FUTURES

Through our holistic approach to education, we strive to equip our students with not only strong theoretical foundations but also essential practical exposure. Our Summer Internship Program plays a pivotal role in enhancing their real - world skills and preparing them to navigate professional challenges with confidence.

The hands-on experiences gained during these internships have enabled our students to apply their learning effectively, take initiative, and contribute meaningfully within organizational settings.

We extend our sincere gratitude to all our recruiting partners for their continued support in mentoring and providing valuable on - the - job learning opportunities. Their guidance has significantly enriched our students' professional journey and readiness for the corporate world.

We are proud to share that our PGDM Batch of 2024 - 2026 has successfully completed their summer internships, marking an important milestone in their transformation into competent and industry - ready management professionals.

A MESSAGE FROM CEO AND ACTING DIRECTOR'S MESSAGE

Greetings from N. L. Dalmia Institute of Management Studies and Research!

Our deep commitment to management education, balanced with a sense of social responsibility ensures that students understand the challenges faced by our economy at large and the trickle - down effect on

the community. Our Institute strongly believes in disseminating relevant knowledge values and skills that help in holistic development of students and prepares them for their journey in the corporate world. In an attempt at giving a global edge to management education, the Institute has academic tie - ups in the area of collaborative research projects with national and international Institutions of excellence. The Institute regularly invites faculties and renowned corporate leaders from various sectors and domains from India and abroad, that gives our students a global exposure and provides an invaluable learning experience of cross - cultural business environments, an essential and critical exercise in becoming a successful leader.

I wholeheartedly welcome you to experience the learning excellence here.

Warm regards,
Prof. Dr. Seema Saini
