# SUMMER INTERNSHIP REPORT

**Batch 2025 – 2027**

# ***ABOUT THE INSTITUTE***

Founded in 1995, N. L. Dalmia Institute of Management Studies and Research (NLDIMSR) was established on the vision of Late Founder Shri. Niranjanlal Dalmia. His dream was not only to impart knowledge but to nurture leaders of tomorrow, built on values of academic excellence and holistic development.

The Institute holds approval from the All India Council for Technical Education (AICTE) and has been accredited with an A+ Grade by the National Assessment and Accreditation Council (NAAC) in its 2<sup>nd</sup> cycle, along with the South Asian Quality Assurance System (SAQS) for five years, attesting to its academic excellence and infrastructure.

Its Post Graduate Diploma in Management (PGDM) programs and PGDM Finance holds accreditation from the National Board of Accreditation (NBA), ensuring the highest industry standards and is also approved by the Association of Indian Universities (AIU), making it equivalent to an MBA and empowering students to thrive in today's dynamic business environment.

NLDIMSR has also carved its place in the national academic landscape by hosting and becoming the fourth and the only non-IIM partner of the Indian Finance Association, joining IIM Ahmedabad, IIM Bangalore and IIM Calcutta for the India Finance Conference 2023.

Every program is thoughtfully designed to blend theory with practice, equipping students with skills essential for today's competitive world. The faculty go beyond teaching they mentor, inspire and guide the next generation of leaders.

In response to the evolving education landscape, the Institute offers Ph.D., Global MBA, Open and Distance Learning, Online Learning, PGDM for Working Professional and Management Development Programs.

Its infrastructure further reflects this commitment with South Asia's largest standalone Bloomberg Lab with 24 terminals, recognised as India's First Bloomberg Experiential Learning Partner. Through these Bloomberg initiatives, our students have achieved milestones recognised in the World Book of Records, Asia Book of Records and the India Book of Records, a state-of-the-art library, ICT lab, advanced learning-enabled classrooms and a well-equipped auditorium.

The Institute's placement record speaks for itself, with over 300+ corporate partners offering diverse opportunities. Beyond this, its true legacy shines brightest through its 8943 alumni excelling across the globe.

As it celebrates its glorious years of excellence in the educational landscape, NLDIMSR ranks amongst the top B-Schools and continues to set new benchmarks, establishing its place as a centre of excellence.

## ***WHERE LEARNING MEETS INDUSTRY EXPERIENCE***

At N. L. Dalmia Institute, our comprehensive and immersive approach to education focuses on developing professionals who possess not only strong theoretical foundations but also the ability to apply knowledge effectively in real-world scenarios.

The Summer Internship Program forms a critical part of this journey, offering students meaningful exposure to dynamic business environments. The experiential learning gained during these internships enables students to navigate complex challenges, demonstrate initiative, and contribute value within organizations. Such hands-on exposure plays a pivotal role in strengthening their professional outlook and enhancing industry readiness.

We extend our sincere appreciation to our esteemed recruiting partners for their continued trust and collaboration. Their mentorship and commitment to providing enriching on-the-job learning experiences have significantly contributed to our students' growth and career preparedness.

We are proud to share that the PGDM Batch of 2025—2027 has successfully embarked on their summer internship journey, marking an important milestone in their evolution into confident, capable, and industry-ready management professionals.

## **MESSAGE FROM THE CEO AND ACTING DIRECTOR**

Greetings from N. L. Dalmia Institute of Management Studies and Research

Our deep commitment to management education, balanced with a sense of social responsibility ensures that students understand the challenges faced by our economy at large and the trickle - down effect on

the community. Our Institute strongly believes in disseminating relevant knowledge values and skills that help in holistic development of students and prepares them for their journey in the corporate world. In an attempt at giving a global edge to management education, the Institute has academic tie - ups in the area of collaborative research projects with national and international Institutions of excellence. The Institute regularly invites faculties and renowned corporate leaders from various sectors and domains from India and abroad, that gives our students a global exposure and provides an invaluable learning experience of cross - cultural business environments, an essential and critical exercise in becoming a successful leader.

I wholeheartedly welcome you to experience the learning excellence here.

Warm regards,  
**Prof. Dr. Seema Saini**
